MRS. ROOT HONORED

SUMMONED TO JAPAN TO CONDUCT GREAT NATIONAL PROHIBITION CAMPAIGN

One of Glendale's townswomen, wife of W. D. Root of the High School and member of the City W. C. T. U., also Corresponding Secretary of the State Organization, with headquarters in Los Angeles, has received very complimentary notice in the following cablegram from Japan, sent through the Associated Press:

Tokio, Japan, Jan. 16.—Temperance forces here approve of the plan to co-operate in the world dry federation campaign and will invite Kara Smart Root of Los Angeles, formerly Secretary of the W. C. T. U. of Japan to inaugurate a campaign to make this country dry by 1930.

The dispatch was sent by W. C. Clement, instructor in the Tokio Higher School or Junior College, who is a personal friend of Mrs. Root and her husband and thoroughly familiar with her work.

For four years she was the representative of the World's W. C. T. U. in Japan, and their confidence in her ability to conduct the great work of a national campaign for their country is the motive of this invitation.

Mrs. Root has accepted the call, but owing to other engagements will not leave until early next fall.

She is also engaged to give a week of addresses for the W. C. T. U. at the Colorado Chautauqua in August and a three months' itinerary in the East for the Prohibition Party National Committee under whose auspices she will go to Japan.

DEATH OF MRS. ROSE STERNER

Of more than common pathos was the death of Mrs. Rose Sterner, wife of Odie Sterner, of 900 East Orange Grove avenue, who died at Thornycroft Hospital, Thursday noon, January 16th, of influenza-pneumonia, in her 33d year. She was a native of Ohio and was born September 7, 1886. For five years or more, she and her husband have resided in this city. She leaves a sister who is also a resident of Southern California.

Funeral services will be held at 10 o'clock Saturday morning at the Holy Family Catholic Church, and burial will be made in Forest Lawn Memorial Park.

A PROUD AMERICAN

LIEUT. ALFRED KNIGHT WITNESSES RECEPTION OF PRESIDENT WILSON AT BREST

A newsy letter from Lieut. Alfred W. Knight has been received by his mother, Mrs. A. P. Knight, of 1305 East California avenue, which she permits the Evening News to publish for the benefit of his many friends. He is with the 50th Artillery, C. A. C. of the A. P. O. 716. The letter is dated Brest, France, December 14th, and reads as follows:

"Brest, France,
"Dec. 14, 1918.

"Dear Folks:—

"I guess it has been over a week since I last wrote to you, but life here is very much the same every day and as a rule there isn't much of interest to write about.

"The officers' quarters have been all divided up into rooms now by putting in partitions, and we also have board floors, comfortable bunks, and stoves, and have put in board walks all around the barracks, built a bathhouse and made other improvements so that we are now fixed fairly comfortably.

"The weather and mud remain the same, but as long as we can get comfortable while indoors and walk around a little bit without getting in mud up to our knees, we can consider ourselves comparatively well off.

"Have received four batches of the Glendale News, all of which contained interesting news from the home town. I was surprised to see accounts of so many deaths and illnesses from the "flu." It was evidently worse there than I had suspected, and am glad to learn that the worst is over, at last.

"This little town had one of the greatest days it has ever had, yesterday, I guess, when President Wilson landed here. All stores were closed, the streets profusely decorated with French, British and, most conspicuously, American flags, and everybody in town and from the nearby villages was out in his Sunday clothes. It was a cold, cloudy day, however, and I couldn't help thinking how much better it would have been with a little good California sunshine. The route from the

TRUSTEES' MEETING

CONTRACT FOR BROADWAY IMPROVEMENT AWARDED TO GEORGE R. CURTIS

The regular meeting of the Board of Trustees of the City of Glendale was held on January 10, 1919. The Board assembled at 8 o'clock p. m., all members present and minutes of the last regular meeting were read and approved.

The City Manager presented a report in regard to the bids received at the meeting of January 9, 1919, for the improvement of Broadway, the same having been referred to him for examination and report. The report stated that seven regular bids had been received as follows:

George R. Curtis	$43,794.35
H. E. Cox	45,272.85
Peter L. Ferry	59,382.00
Los Angeles Pav. Co.	53,403.10
Fred Hoffman	48,410.85
F. V. McPeak	57,290.50
W. Liddington	52,085.85

George R. Curtis, whose bid is $43,794.35, being the lowest of the bids received was on motion of Trustee Henry, seconded by Trustee Muhleman, awarded the contract on the following roll call, Henry, Jackson, Muhleman, Shaw, Woodberry, all voting aye.

Upon motion of Trustee Muhleman a formal resolution, No. 1061, was adopted awarding the contract for the improvement of Broadway to George R. Curtis, at the prices named in the bid.

A communication was read from the Greater Glendale Development Association consisting of copies of two resolutions adopted at the mass meeting under the auspices of that association held at the High School Auditorium on January 14, 1919, in regard to the telephone rate situation. After a brief informal discussion the communication was filed.

A report was presented from the City Health Officer in regard to the influenza epidemic showing a total of 90 new cases reported during the past six days, the last being 10 on this date.

Report received from the Treasurer for the month of December and from the Tax Collector for the week ending on this date showed receipts $241.67; total collections to date $56,091.83.

The City Manager made a report upon the garbage question and on motion of Trustee Shaw, duly seconded and adopted the City Manager was instructed to give assistance to the garbage man during the week now beginning, and if possible to secure bids for doing this work and make a recommendation to the Board.

On motion of Trustee Shaw the

NEW RESIDENCE FOR CASA VERDUGO

Chas. W. Kent & Son have just signed the preliminary contract for the erection of a twelve-room residence for Mr. and Mrs. J. P. Browne who are recently here from Butte, Montana. Mr. Browne is a retired wholesale cigar man who visited Casa Verdugo some seven years ago and being struck with the beauty of the place bought several very desirable pieces of high-class foothill property, with the idea in mind of some day making his home here on one of these ideal sites.

His dream is now about to be realized.

On arriving here he immediately employed Roy L. Kent as his architect, and proceeded to plan for the new home.

This beautiful home will occupy one-half acre at the north-west corner of Randolph and Campbell streets commanding a wonderful view of the San Fernando valley on the north with its background of low lying hills and the City of Glendale on the south. The house will have a white stucco exterior and green roof, and broad terrace in front.

In the east wing is the breakfast room with nine large French doors that open on three sides, and in the west wing is the conservatory or living porch with French doors on all three sides giving a beautiful view of mountain and valley.

The rear wing is occupied by the maids' quarters, maids' bath, service porch and laundry. The main house comprises large living room, with large open fireplace of Batchelder tile, dining room, kitchen, library, large stair hall, four bed chambers, two dressing rooms and three bath rooms and shower.

The house is to cost $15,000.00.

Later contract will include garage, driveways, walks, sprinkling system, retaining walls and landscaping and will cost about $5,000.00 additional.

We are very happy to welcome Mr. and Mrs. Browne to this community, and wish them happiness in their new home.

PURCHASE OF LOWER CALIFORNIA

GOVERNOR CANTU DECLARES PROPOSITION WOULD BE DEEPLY RESENTED BY PEOPLE OF MEXICO

(Special Service to Glendale Evening News)

San Francisco, Cal., Jan. 17. (Copyright, 1919, by United Press.)—Governor Cantu of Lower California telegraphed the United Press at Mexicali, Mexico, today, that the people of Lower California never would consent to the sale of Lower California to the United States, as proposed in Congress and in the California Legislature.

He declared the Mexican people would resent the present agitation for Lower California's purchase just as deeply as the United States would resent the proposal of the British Parliament to buy the State of California.

Cantu said that the Mexican people "are firmly confident that the principle of self-determination for all nations, which the American President has so nobly voiced, shall effectually safeguard Mexican territory from foreign occupation."

Resolutions asking the President to open negotiations for Lower California's purchase have been introduced in the Senate by Senator Ashurst of Arizona and in the House by Representative Elston of California.

Washington, Jan. 17.—Senator Ashurst declared today that if the application of "self-determination" would prevent the United States from buying Lower California, "that ends the matter." He added that he believed Governor Cantu is mistaken and that the people of Lower California would vote to join the United States.

The resolution of which Ashurst is the sponsor calls for the purchase of Lower California and part of Sonora.

Zurich, Switzerland, Jan. 17.—A German dispatch says that the Spartacus revolt has been revived on a large scale and is spreading, following the death of Karl Liebknecht and Rosa Luxemburg. The government is expected to use violent measures to suppress it. New divisions of government troops are arriving in Berlin, giving the city the appearance of an armed camp.

PROBLEM OF THE UNEMPLOYED

SENATOR KENYON SUGGESTS CONFERENCE OF GOVERNORS AND DEPT. OF LABOR TO PLAN REMEDIES

ANOTHER STRENUOUS EFFORT FOR MOONEY

WOULD TAKE CASE FROM CALIFORNIA COURT AND REFER IT TO ATTORNEY GENERAL AND CONGRESS

(Special Service to Glendale Evening News)

Chicago, Jan. 17.—A committee which is considering twenty-five different proposals for labor's action on the Mooney case today recommended a general industrial strike to begin July 4 unless Thomas Mooney is released. The recommendation was made to the national labor congress on the Mooney case.

The resolution provides for a delegation of five to present the case to the Attorney General and to Congressmen in Washington. It also asks for the removal of the Mooney case from the California courts, requests the co-operation of the American Federation of Labor, advocates the amendment of the California constitution to enable several legal moves on Mooney's behalf, and sets June 4 as the latest date for a referendum vote on the strike, and advocates broad publicity for the Mooney case.

AN IMPRESSIVE SERVICE

OFFICERS OF UNITY CHAPTER, NO. 116, R. A. M., INSTALLED WITH CEREMONIALS

Thursday evening Unity Chapter, No. 116, Royal Arch Masons, entertained members and friends with a delicious and substantial banquet served in the main auditorium of the Masonic Temple. Covers were laid for about 150 guests.

Immediately following an adjournment was taken to the Lodge Hall, where officers for the coming year were installed. It was a most impressive ceremonial, the more so because of the wonderfully efficient manner in which it was conducted by Past High Priest Dale Peet, who was the installing officer and who was assisted by the retiring High Priest, Roy William Masters, who served as Grand Master of Ceremonies, and Mattison B. Jones as Grand Chaplain.

Before the ceremonies began the installing officer invited to sit in the east, Harry E. Jones, Past High Priest of Hollywood Chapter, and Perley O. Prince, also Past High Priest of Hollywood and Deputy Grand Lecturer; Mattison B. Jones, Past High Priest of Unity Chapter and Grand Scribe of the Grand Chapter: George U. Moyse and Ross Rook, Past High Priests of Unity Chapter.

The scene which followed was full of interest and color as the officials in their rich vestments were brought before the installing officer and invested with their emblems of office, instructed in regard to their duties and moral responsibility to uphold the dignity and honor of the organization. It had a fitting setting, too, as the hall is beautiful in its proportions and simplicity, its dark walls making a fine background for such a spectacle. Baskets of ferns were suspended from the dark beams supporting the roof, and a star twined with ivy, its points terminating in small jewel-like electric light bulbs suggesting the O. E. S., swung free in the center of the room relieving the severity of an unadorned auditorium and giving it a companionable aspect which added much to the enjoyment of the spectators, though they probably were not altogether conscious of its influence.

The work of the installing officer was marvelous, as his part was perfectly memorized and so thoroughly incorporated in his consciousness that it was delivered with a dignity and earnestness that made it solemnly impressive. A visitor, complimenting the lodge, remarked that probably not another lodge in the state possessed such an installing officer.

The companions installed as officers were:

Clement Laird Vallandigham Moore, High Priest; Mark Thurlow Lee, King; William Small Rattray, Scribe; Frank Horne Vesper, Treasurer; James Wyvell, Secretary; Thomas Daniel Ogg, Chaplain; Ernest John Morgan, Captain of the Host; Charles Wilber McFadden, Prin. Sojourner; Donald Stuart Erskine, Royal Arch Captain; Edward Leslie Eames, Master 3rd Vail; Henry Augustus Eddy, Master 2nd Vail; Frederick Addison Collins, Master 1st Vail; Henry Richmond Goodwin, Organist; Charles Henry Ravenscroft, Sentinel.

The work was interspersed with music, two vocal selections by Miss Eva Thede, who was warmly encored and presented with a beautiful bouquet as a mark of appreciation; a piano duet by Mrs. Roy Masters and Master Raymond Wolfe, who also played a solo number, both enjoyed.

Upon assuming his office, High Priest Clem Moore made a brief speech in which he emphasized the fact that he would be brief and that the speeches of the evening would be limited to five minutes. He expressed his personal satisfaction in the staff of officers who had been inducted as his assistants in conducting the lodge, and predicted that it would do excellent work under their inspiration. At the close of his little preliminary address, he was presented with a bouquet of red carnations from C. L. Peckham, Commander of the Glendale Commandery, Knights Templar, who was unable to be present, but who wished his friend and brother Mason to know he was with him in thought.

Grand Scribe Mattison B. Jones with a fitting speech of greeting to the new High Priest and of tribute to the retiring officer, presented, on behalf of Unity Chapter, to Roy William Masters, Past High Priest, in appreciation of his services, a Chapter ring, symbol of the continuity of life and of his place in the affections and remembrance of his companions. The Past High Priest thus honored made a fitting speech of acceptance

AVOCADOS IN GLENDALE

D. J. HIBBEN HAS THE FINEST SPECIMENS IN THE SAN FERNANDO VALLEY

Mr. and Mrs. D. J. Hibben, of 123 East Laurel street, this city, are the happy possessors of three large and handsome avocado trees, said to be the finest in the valley. Two of them bore this year, one of the two a small crop, the other enough to provide fruit for the Hibben family since the last week in October. Mrs. Hibben says the appetite for these rarities grows by cultivation and the members of her family are growing so fond of them and they are such a profitable crop that they are planning to set quite a plantation of them next spring. They seem to thrive in this section if protected while young. The first three years after setting Mr. Hibben protected from frost with a burlap covering but they seem quite hardy now.

Charles E. Stanley, of 801 North Everett street, is also planning to establish an avocado orchard next spring. He states that while he was in Cuba carrying out some instructions of the War Department, he got acquainted with the avocado and learned to like it very much. It is rich in oil and is a very valuable fruit from a food standpoint. It is commonly known as the alligator pear.

BOYS OF THE 143D

Mrs. Dora Gibson is anxiously awaiting news of the arrival of her son in California. He is with the 143d Artillery which, according to press dispatches, is en route for the Bay City. Sidney Simon, who is with the same organization is now in Glendale, but will have to return to San Francisco to be mustered out. Mrs. Gibson states that the letters she has received indicate that the boys thoroughly enjoyed their stay in New York, and that when they visioned the Statue of Liberty as they approached the city, they couldn't begin to describe their feelings. When they last saw the great metropolis it was sweltering in almost unbearable heat. The cold they encountered this time they considered a vast improvement and found it stimulating. Camp Merritt, where they were entertained by the government, also seemed very fine to them. Mrs. Gibson fears it may be ten days before the boys will be discharged at San Francisco and be permitted to come home, but she hopes not.

Press dispatches state that this unit passed through Sacramento yesterday where they were welcomed by the Governor and members of the State Legislature. Besides James Gibson, Glendale boys of Battery F., are Fred Farner and Louis Leppelman, also Vernon Snively who is well-known here.

DEATH OF PIONEER

MRS. C. C. CHANDLER PASSES AWAY AT FAMILY HOME ON CYPRESS STREET

In the passing of Ann Elizabeth Chandler, Thursday afternoon, January 16, 1919, death called a pioneer who had been intimately identified with the early life of Glendale, particularly the Tropico District, who had witnessed its development from a small, rural settlement to a metropolitan suburb with city improvements, and seen her children and grandchildren take an important place in the community life.

She was born on a farm near Troy, New York, November 30, 1836, and was united in wedlock to Cornelius C. Chandler, January 1, 1856, a regularly happy marriage as the lovers for more than 50 the hour of his death about two years ago of children bles who survive L. Chandler. andler, Mrs. E. B. L. Peckham, Corneli dler and Mrs. E. H. Weston, whom are residents of Glendale or of Southern California.

Mrs. Chandler was a practical christian whose goodness overflowed in kindnesses to her neighbors by whom she was greatly beloved. She was also a devoted wife and mother, a patriot ever ready to serve her country in every possible way, a loyal friend, a delightful personality whom it was always a pleasure to meet. Her illness has covered many months and has been borne with wonderful patience and cheerfulness. A crown of victory is hers.

Funeral services will be held at the Little Church of the Flowers in Forest Lawn Memorial Park, Saturday afternoon, at 3 o'clock, the Pulliam Undertaking Co. in charge.

dock to the station, about two miles, was lined on both sides, by two, and in some places, three ranks of soldiers and sailors, with immense crowds of French people, armed with American flags, behind them. The 50th was assigned to a certain position along the line, and we got there at 12 o'clock and had to stand in our places and wait until 4 o'clock, when the procession passed.

"The President's ship was escorted into the harbor about 2 o'clock by a large fleet of battleships, destroyers, etc., and twenty-one gun salutes were fired from various points on land, as well as from the ships, when the fleet entered the harbor, when he left the ship and started for shore in a small boat, and again when he reached the dock. He looked very well, indeed, and not as though he had had all the worries and responsibilities of a President under such trying conditions. The ocean trip must have done him good.

"General Pershing and General Bliss were also in the procession and came in for their share of the ovation. The entire party were in automobiles and went directly from the dock to the railroad station, where they took the 4:30 train for Paris. I certainly would like to see the reception he gets in Paris, but will have to be satisfied with having seen the two greatest Americans of the war, Wilson and Pershing, and a much smaller, but equally lively and hearty reception.

"I also had the pleasure of hearing Margaret Wilson sing at the Y. M. C. A. the other night. We had to go in at 4:00 in order to get a seat, and as she didn't start to sing until after 8:00, I got rather tired of sitting in one place so long, but she certainly has a fine voice, and was generous with encores, so I think it was worth it.

"We are still uncertain as to how long we are to stay here. About half the members of the regiment have gotten letters from home saying that there was an announcement in the papers of the units scheduled for immediate shipment home, and that we were on the list. The letters generally go on to say that inasmuch as we will probably be back to the States in a week or two, they won't write any more letters until we get over there. Please don't make this mistake, as they have certainly nailed us tight here for a month or so anyway and perhaps longer. Even if the regiment does go back, some of the officers will be kept over here for various kinds of work, so I may not get home for some time yet. Lots of love.

TRUSTEES' MEETING

(Continued from Page 1)

City Manager was instructed to advertise for bids for the sale of a horse belonging to the City. Bids to be opened at the next meeting.

The Manager of the Public Service Department reported pump equipment at the Glendale Avenue well as no longer required by that Department and requested authority for the sale of the same. There was no action taken.

The City Attorney made a brief report as to the result of his investigation in San Francisco in regard to the Railroad Commisssion in reference to action taken by that commission authorizing the increase of toll rates between Glendale and Los Angeles. City Attorney had been unable to find any record of such authority. On motion of Trustee Shaw the matter was referred to the Committee as a whole to consult with the City Attorney as to the best action for the City to take in the matter.

In reference to the refund of taxes to taxpayers in annexed territory who had been assessed both by the County of Los Angeles and the City of Glendale for the current year the City Attorney read a copy of a letter which he had prepared in regard to the subject to be sent to the representative of these taxpayers. On motion of Trustee Shaw, duly seconded and carried, the City Attorney was authorized to forward the letter as read, which was as follows:

"January 16, 1919.

"Mr. A. R. Kilgore,
"Glendale, California.
"My Dear Mr. Kilgore:—

"You requested me to advise you what action could be taken on the part of the City of Glendale to cause to be refunded to the taxpayers of Arden Avenue, Valley View and Kennelworth districts the duplicate taxes paid by them to the county.

"A lien was attached to all the property in these districts for county taxes as of the first Monday in March. The annexation act under which these territories came into the city provides as follows:

"'The property in any such new territory annexed to any municipal corporation under the provision of this act, after twelve o'clock meridian of the first Monday in March and before the completion of the assessment roll of such municipal corporation, shall be subject to taxation for municipal purposes for the fiscal year following said first Monday in March.'

"These districts came into the city after the first Monday in March and before the assessment roll of the city was completed; hence, the property in these districts became subject to taxation for the current year. The county taxes attached as of the first Monday in March, so there is in reality a duplication of taxes insofar as the county road and library taxes are concerned. The road tax collected by the county amounting to .40c on the $100.00 of assessed valuation will be refunded by the county to the City of Glendale. The library tax is .04c on the $100.00 of assessed valuation.

"The Board of Trustees of the city would be perfectly willing to refund this amount to the taxpayers, if they were authorized by law to do so. There is no statute giving such authority. There is, however, good reason why it should be done, but the Board of Trustees could not take the chance on becoming personally liable by paying out the money without authority of law.

"I suggest that when the county has refunded this money to the city that some of your taxpayers present a claim to the Board of Trustees for a refund of the amount paid by him. This claim may be allowed by the Board of Trustees, but the Treasurer will refuse to sign the warrant. Thereupon an action can be brought in the Appellate Court for a writ of mandate against the Treasurer, seeking to compel him to sign the warrant. The City will co-operate to have the law on this question definitely established and if the court will direct the Treasurer to execute the warrant, the Board will thereupon feel authorized to order the entire amount refunded to the respective taxpayers.

"Yours very truly,

"W. E. EVANS,
"City Attorney of the City of Glendale."

The City Attorney reported on the matter previously referred to him as to the law regulating a Hospital for the Insane. In his opinion the Board of Trustees has authority to regulate or prohibit the same. On motion of Trustee Shaw the City Attorney was instructed to prepare an amendment of the Hospital and Sanitarium ordinance in regard to this matter.

City Attorney reported that when in San Francisco he had taken up with Mr. Edgerton of the Railroad Commission the matter of the taking over by the City of Glendale of the Tropico electric system, which has been temporarily held up awaiting an order of the Commission. The Commissioner intimated, however, that he is not inclined to accept the views of the City of Glendale in regard to the payment of the additional 10 per cent. of the price which has been arbitrarily added to the amount agreed upon.

Trustee Shaw of the Finance Committee presented a typewritten report covering the condition of the Public Service Department, making certain recommendations in regard to the same. The report was read by the Clerk and on motion of Trustee Shaw recommendations contained in the report were approved and adopted by the following roll call: Henry, Jackson, Muhleman, Shaw and Woodberry, all voting aye.

On motion of Trustee Muhleman it was ordered that the City Manager, or the City Clerk communicate with Mr. Shank of the Committee on Community Singing on the action taken by the Board of Trustees when he was before that body in reference to a contribution for the purpose of defraying the expenses of these entertainments.

Personals

Mrs. F. W. Furbeck, of 515 South Brand boulevard, entertained Mrs. Fred Littooy, of Hollywood, Wednesday.

Mr. and Mrs. Robert Winn, of San Diego, were Sunday guests of Mr. and Mrs. H. W. Petty, of 346 West Riverdale Drive.

William Kelley and his two little boys of West Elk avenue, who have been quarantined for influenza, are now up and around.

The Paul Hopkins family at Columbus and Vassar streets are quarantined for influenza and so are the Donohues in the same neighborhood on Ross Court.

H. L. Segar, who has been residing for several months at 437 Ivy street, purchased the property a few days ago from the owner, who resides in San Pedro.

N. L. Finch, of Rock Valley, Iowa, is a guest at the home of his brother, J. B. Finch, of Pacific avenue. He arrived Thursday for an indefinite stay. It is his first visit here and he is enjoying the novelties of climate and scenery.

Mrs. Edwin Virden and her daughter, Miss Rose Virden, who have been confined to their home on Mira Loma avenue by attacks of influenza, are now quite well again. They have been saddened by the loss of a number of Los Angeles friends who died of the malady.

James Mason, of San Francisco, son of Mr. and Mrs. S. Mason, of 208 E. Chestnut, has been visiting his parents for the past month, being fortunate in reaching home for the holidays. This is his first visit in Glendale for a year and he is improving his time visiting his numerour friends who are trying to keep him here as long as possible.

It is expected that the quarantine on the home of Kemper Campbell, on Brand boulevard, will be lifted tomorrow as Mr. Campbell has practically recovered and will be permitted to return to his business. Mrs. Campbell and her baby have been at the home of her parents, Mr. and Mrs. D. J. Hibben, while the quarantine was on, for the protection of the child.

WHERE SHALL IT BE?

Where should the world city, capital of the League of Nations, be located?

Hendrik C. Andersen, chief designer and planner of the proposed administrative center for civilization, does not pretend to specify. One of the advantages claimed for his plan is that the city could be located almost any place that might be agreed upon by a congress of the nations, such as may follow the peace conference.

But in a recent sketch made by Mr. Andersen, the international city is shown located in the United States.

South of Point Pleasant, N. J., and east of the town of Lakewood, but a short distance from Asbury Park and Ocean Grove, is the site suggested. Of this proposal Mr. Andersen says:

"The neighborhood of Lakewood, in New Jersey, on the Atlantic coast of the United States, is already celebrated for its even temperature and climatic advantages.

"On the borders of a vast continent, the population of which is descended from every people of the earth, an International Centre, established to facilitate understanding and to promote universal progress, would have a peculiar appropriateness.

"Directly connected by rail with all the cities of the United States and Canada, this situation would likewise offer every convenience as a port. In central position, within eacy reach of the grand high-road, the Panama Canal, open to the great continents to East, West and South, communication with all parts of the globe would swiftly be attained. Undeniably, there are upon this coast many desirable positions, and Lakewood is but one of these within easy reach of several of the great established centres."

BROTHERHOOD MEETS

BANQUET AND ELECTION OF OFFICERS TAKES PLACE AT FIRST METHODIST CHURCH

A very fine banquet served by the January group of the Ladies' Aid of the First Methodist Church to members of the Brotherhood of the church and their invited guests, took place in the banquet hall of the church Thursday evening, and was followed by the annual meeting, the election of officers and an excellent program.

Arthur G. Lindley, president of the Brotherhood, who conducted the meeting, was returned to office, and the following were elected as his associates on the official staff:

First Vice-President, C. H. Bott; Second V.-P., H. A. Wilson; Third V.-P., J. P. Fansett; Fourth V.-P., J. N. McGillis; Secretary, W. D. Root; Treasurer, Henry Johnston; Chaplain, Rev. Edwin Hoskyn.

The President presented his annual report covering work done by the Brotherhood during the year which showed considerable activity. He also made suggestions as to what should be accomplished by the men of the church during the coming year.

A Methodist "Minute Man" was present and responded to a call for a five-minute speech on the activities of the Methodist Church in connection with its centenary movement.

Rev. C. H. Scott, pastor of the church, followed with an apropriate message to those present, and at the close of his remarks introduced the speaker of the evening, Dr. Merle N. Smith, of Pasadena, who gave a wonderful and inspiring address on the world war and the future of the nation. He was frequently interrupted by applause, and an unanimous vote of thanks was tendered him at the close of his eloquent speech.

Dr. Joseph Marple, the noted singer, who resides in the southern part of the city, was present, and contributed solo numbers which so delighted his audience that they would scarcely release him.

Something over two hundred persons were present, ladies of the church being guests of the Brotherhood on this occasion. It was pronounced one of the most enjoyable meetings the organization has ever had.

HIGH SCHOOL ANNOUNCEMENT

The High School Board of Trustees at their meeting held Thursday afternoon definitely set Monday, January 27th, as the date of the reopening of the High School.

Home work for the students will be continued until the school opens. The results from this work are very satisfactory. The students have responded splendidly and the classes are making good progress.

Any student wishing information is asked to telephone the High School during the forenoon.

saying he would wear the ring with great satisfaction and with a remembrance of many happy meetings held in that lodge room. He also congratulated the lodge upon securing capable officers for the coming year.

Deputy Grand Lecturer Perley Prince voiced his enjoyment of the installation ceremonies and paid a high tribute to Installing Officer Peet.

Mark Thurlow Lee, the newly-elected King, said he wished to thank those who assisted him in the duties of the evening, and Scribe William Small Rattray made similar acknowledgments to the musical talent which had contributed to the evening's enjoyment.

The exercises, so far as the public was concerned, closed about 10 o'clock, the officers remaining for a brief session.

LA CANADA

The family of Dr. Eversole received a cablegram this week, announcing the safe arrival of the doctor at Yokohama, on his way to Siberia.

Mr. A. M. Brown has been confined to his home for the past week, by illness.

Private Lloyd Peet, son of Mrs. E. C. Peet, of La Canada, who went to France several months ago with Battery D, 143d Field Artillery, has returned to the United States and is expected home shortly.

Dorothy Lester has been at home for several days on account of illness.

The La Canada Congregational Church, through its Sunday School and Church offerings, as well as by personal subscriptions, is lifting well on the Armenian and Syrian Relief Drive.

Its membership is also vigorously co-operating with the Community Drive for this most appealing object. It is hoped that enthusiasm throughout the nation will produce a total much exceeding the thirty millions asked for. Eminent leaders most conversant with conditions in Armenia and Western Asia estimate that not less than $60,000,000 is urgently needed.

At the La Canada Church the acting pastor will, on Sunday morning next, review some grounds of hope that the great objectives of the War are to be realized by the Allied Nations; great and small.

The attendance on Sunday last, following the Annual Meeting, was largely increased.

The La Canada Thursday Club

The La Canada Thursday Club met at the home of Mrs. J. P. Anderson, on Jan. 8th. The program for the afternoon consisted of:

(1) Piano duet, "Two Christmas Melodies." Miss Elsa Anderson, and Miss Roberta Hopping of Glendale.

(2) An interesting paper on "Woman's Work in the War," by Mrs. Holden.

(3) Piano solo—"Legend of the Rose," Miss Elsa Anderson.

(4) Roll Call responses—subject, "Origin of California Names."

The following members were present: Mesdames Horn, Stultz, McDonald, Green, Schiefflen, Pate, Seright, Selleck, Waterman, Holden, McComber, G. P. Anderson, Metcalf, Miss Brecht of Eagle Rock.

At the conclusion of the program, the club enjoyed a social hour, also the dainty refreshments furnished by the hostess.

The club resumed activities, after a two-months' vacation, with the October meeting at the home of Mrs. Jay Schiefflen, the following program was enthusiastically enjoyed by the twenty-one members present:

(1) Piano solo, Miss Irma Bradstreet, of Tropico.

(2) Whistling solo, Miss Marjorie Nye, of Los Angeles.

(3) Travel-talk, by Mrs. P. H. Johnson, illustrated, by photographs, and post cards.

(5) Whistling solo, Miss Nye, Miss Bradstreet at the piano.

Owing to the epidemic of influenza, there was no meeting at the home of Mrs. Maynard. A paper on "Contemporary English Novelists," by Miss Lillian Selleck, was greatly appreciated by those who were privileged to hear it. Mrs. Maynard exhibited some rare curios, and gave a short history of each which proved very interesting.

The February meeting will be at the home of Mrs. Jesse Knight, in Pasadena.

TUJUNGA

We regret very much to note the passing of Mrs. P. J. Blake from our midst. She was one of the earlier comers to the colony, and "none knew her but to love her." She has been more or less of an invalid for years, but her stout heart fought the enemy long and successfully. On Sunday morning she passed quietly away without suffering. Her sister who has been with her for a few weeks, was with her at the time. Capt. Blake, who is still in France, was cabled, but at the present writing nothing has been heard from him. The remains were taken to Glendale and funeral services were held at the Church of the Flowers on Wednesday at 2 p. m. Rev. Scott, of the M. E. Church, officiated.

Mrs. Jacobs has returned to Tujunga for a few days, occupying the cottage of Mrs. Woods on Sunset boulevard.

Miss Regina Leckie is taking a business course at the Hollman Business College in Los Angeles.

As the new seed catalogues arrive we begin to get the gardening fever, and just one good rain would cause us to get busy.

Mrs. Mendenhall has moved back from La Crescenta to the home purchased by her on Stephens Way.

Mr. Bryant, with his wife and son, will move into the Knudsen house on Sunset boulevard the first of the week and remain for some months.

Miss Lois Wieman is the first victim of poison oak this season. Now is the time when it seems most virulent. If on its first appearance one will bathe the affected part in a quart of water to which has been added a level teaspoon of lye it will soon disappear.

A number of the ladies met at Bolton Hall to do some relief work for Los Angeles Chapter, and finished under supervision of Mrs. Cartello the ten garments sent out to them.

The property formerly owned by Geo. Osborn was transferred Tuesday to Mr. King of Hollywood, who will make his home here.

Mr. H. J. Free, who has been on the sick list the past two weeks, is much improved and able to get out some.

Mr. Rocky is possessor of a new goat, purchased of Miss Kraft, and if a few more purchase them, there will be enough enthusiasts to form a Goat Club. At present there are about 25 or 30 goats in the colony, and more are desiring to purchase. Well, with the present price of canned, and scarcity of condensed milk, it is surely a good investment, and the milk is delicious, and the cost of production small.

Charles W. Dean motored from Brawley, on Tuesday, making a short visit in Tujunga, returning Thursday.

Mr. and Mrs. Niemeyer of Michigan avenue, have both been quite ill, but we are glad to be able to say, "No Flu." Both are better at the present time. Tujunga has been very fortunate in regard to the prevailing epidemic, and there is not one case at this time, and the school and churches are running on schedule time.

Mrs. Jeffs on Sunset boulevard will spend Sunday in San Diego, with her husband, Lieut. Jeffs.

Mr. Zachau's son, wife and three children, of Arizona, are visiting at the homestead.

Mrs. Blake's sister, of Arizona, and Captain Lathrop, a brother-in-law, from Camp Kearny, were in attendance at the funeral of Mrs. P. J. Blake on Wednesday.

LA CRESCENTA

At the Presbyterian Sunday School on Sunday last a total of $94.73 was raised for Armenian and Syrian Relief, of which $60 was in subscriptions to be paid during the year. In this connection it may be said that this congregation and affiliated friends took up more than five thousand dollars' worth of the Fourth Liberty Loan Bonds.

These records are much to the credit of a church membership that is much depleted by removals. The preacher for next Sunday evening, Rev. John L. Maile, of Los Angeles, will speak on "Outlooks of Hope from the War."

Mr. A. A. Barker, Mrs. D. E. Wetherbee's father, is returning to La Crescenta for the winter.

Mr. and Mrs. A. C. Cobb have rented their foothill home for a term of months.

Mrs. Hope left Saturday to enter the Scrips home.

John and Grant Leenhouts have gone to San Pedro, where their father has opened a fish canning business.

Mr. and Mrs. J. S. Erwin have had their cousin, D. A. Paschall, as a guest for a few days.

Mr. and Mrs. Kemper, who have been patients at Thornycroft, are rapidly improving.

Mr. and Mrs. H. S. Bissell had Lieut. Merrill Bissell, of Grand Rapids, as house guest.

Mrs. Culberson and Dean and Janet Culberson are convalescing from bad colds and grippe.

The Red Cross Class meets Thursday from 10 to 5. Some of you are forgetting that your needles and busy fingers are needed, and appreciated.

Miss Myrtle Coshaw, who has faithfully nursed all during the influenza epidemic, has succumbed, and has been seriously ill at her home on Mayfield avenue. Dr. Weber pronounces her out of danger and on the road to recovery.

The Junior Red Cross are preparing to plant an extensive garden across from the school.

Picture show on Friday, January 24th. Don't forget the date. Orchestra music and the picture is "The Other Woman." Don't that sound interesting? Eleanor Gales, a pretty and ambitious country girl, decides to cultivate her natural talent for painting and goes to New York in search of fame and fortune. On the train she meets Harrington, a broker, on his way to the city and about to be married. Eleanor is successful and about a year later goes to Harrington for advice as to an investment. This second interview and others results in an intimate friendship. Harrington has found his wife cold and uncongenial in that she will not participate in the amusements he likes and does not put herself out to make a happy home for him, although she is a good woman and of excellent character. Chilled by this atmosphere, Harrington is attracted to the studios and Eleanor becomes very fond of him.

The Harringtons drift farther apart. The baby that came and promised to bring them together dies. The wife becomes aware that there is "The Other Woman" and still devoted to her husband, will not give him up without a struggle. She becomes acquainted with Eleanor, although she don't know that she is "The Other Woman." Eleanor learns of the tragedy and becomes aware of her part in it. She sacrifices her own inclinations and breaks off the affair with Harrington, and all ends well.

The Committee on Devastated France, with Mrs. S. S. Thomas at the head, turned into headquarters over two hundred garments. They were so surprised and delighted over the quantity and quality and Mrs. Thomas told them "That La Crescenta always did things in that fashion." Here is a vote of thanks to you, one and all, and look your nooks and corners over again, for you may find some other things to donate when Mrs. Thomas comes around next month and if you want to contribute money she will have the official blanks, too, by that time.

SUNLAND

News of the death of Mr. Shirley Kincaid, Jan. 9th, at Wallace, Idaho, was received by his friends in Sunland this week.

Mr. John Knapp moved from his ranch on Manzanita Drive to rooms in the Monta Vista Tavern.

Mr. Wm. Graham is able to be out again after another hard cold, which kept him confined to the house for several days.

Mr. C. B. Morgan visited friends in Los Angeles, Thursday.

Berl Johnson and Howard Fischer, who started for the mines in Arizona last week, came back to Sunland Monday. They got as far as Imperial and as they did not have their registration papers with them were held up three days until they could communicate with home folks. They say there is three or four men for every job in Imperial, so they decided Sunland and its work was good enough and came back.

Miss Carrie Adams and Menita Huse came up from Los Angeles where they are attending school to visit with home folks over Sunday.

The Sunland Branch of the Red Cross held an all-day meeting at their rooms Wednesday to sew for the Armenian Relief Drive. Quite a number were present and a nice lot of work was turned in.

Mr. and Mrs. Lancaster were Sunday guests of their daughter, Mrs. Murrey, of Santa Monica.

Mr. Horton was taken to the hospital at the Soldiers' Home in Sawtelle this week. His daughter, Mrs. Edwards, is looking after the place while he is away.

The Christian Endeavor of the First Baptist Church will give a social in Rowley's Hall Saturday evening, Jan. 18th, at 8 o'clock, for the benefit of the Armenian Relief. Everybody invited. The girls bring boxes. The boys bring purses well filled. Come and have a good time.

The iron fence is now completed around the park, which is a great improvement. The trees set out last year are doing nicely and with the ball grounds, swings and amusement places makes this an ideal spot to picnic and spend the day under the beautiful oaks.

Mr. Adams has his trucks busy hauling away a large consignment of the Greek olives and bringing in a carload of salt. Mr. Menilla, of the Adams & Menilla Cannery, is very ill with influenza in Los Angeles.

Preaching services at the First Baptist Church at 11:00 o'clock. Rev. C. N. Wester will preach.

Christian Endeavor at 6:30. Topic, "Our Relation to God—Repenting," Mark 1:14-20. Mrs. Jager, leader. Everybody welcome.

Mr. and Mrs. Joe Spencer are sick this week. Mr. Spencer's mother from Hollywood is here caring for them.

Mrs. Fred Frisbee went to Los Angeles, Thursday, to attend the funeral of a friend.
